

Parking Validation Instructions

updated version

Step 1.

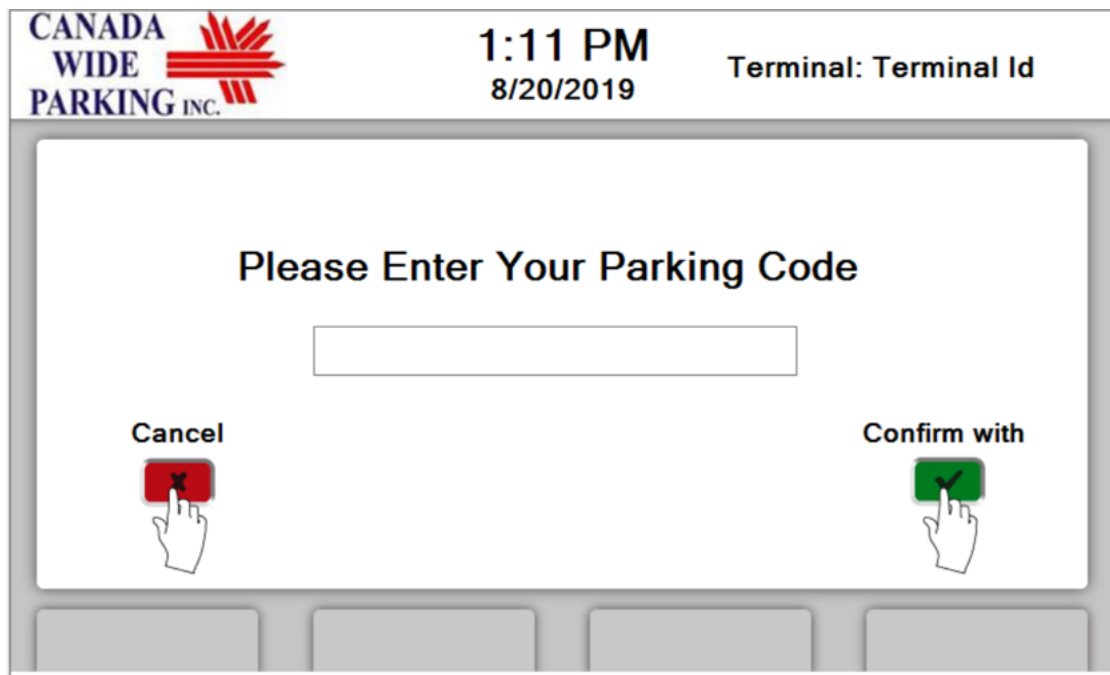

Press any key to active the machine.

The screenshot shows a digital display for a parking validation machine. At the top, it displays "\$2.50 For 1 Hour" in blue text. Below that, it says "\$2.50 FOR EACH ADDITIONAL HOUR" also in blue. The main instruction is "Enter your license plate number" in black. To the left of a white input box is a red button with a white 'X' and the word "Cancel" above it, with a hand icon pointing to it. To the right of the input box is a green button with a white checkmark and the words "Confirm with" above it, with a hand icon pointing to it. At the bottom of the screen, there are three grey buttons and one yellow button labeled "CODE".

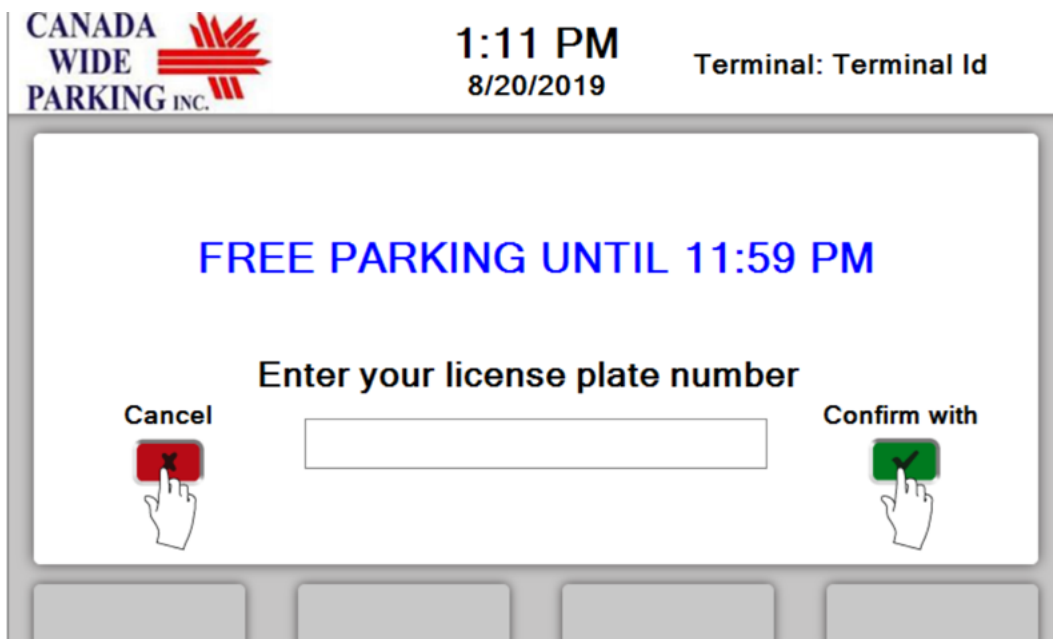

Step 2.

Enter your license plate number, and then hit the “YELLOW BUTTON” which is marked “CODE” to proceed.

Step 3.

Once the prompt comes up, enter the **Validation Code** (check your email to obtain), and hit the **“GREEN BUTTON”** to proceed.

Step 4.

After the Validation is complete. Hit the **“GREEN BUTTON”** again for optional receipt.
